Re: Mobile QuikSpray Unit available

The Southern ACT Catchment Group supported by an ACT Environment Grant has available a QuikSpray unit to assist landholders and managers across the ACT or in the Googong or Upper Murrumbidgee catchments (within 50 km south of the ACT border) to undertake weed control. The unit has 2 hand held spray guns each with 100 metres of push-button retractable hose and a small selection of spray nozzles.

The Southern ACT Catchment Group Inc. offers to lend its mobile Quikspray Unit under the following conditions:

1. Unit is to be returned in the same condition as it was lent;
2. Tank is to be returned empty and clean – flushed with clean water &/or ‘*Quik Flush*’ (CAUTION: Do not flush tank within 50 metres of a waterway);
3. Only clean water is to be used in herbicide tank;
4. A donation of \$25 for the first day and \$15 per day of lending thereafter is requested to be paid to the Southern ACT Catchment Group to assist with unit maintenance, registration and insurance;
5. Maximum lending period is 5 days;
6. Jerry can & pump fuel tank are to be returned full of unleaded fuel;
7. The borrower must have Chemical user accreditation (AQF3);
8. The borrower agrees to supply details to the Southern ACT Catchment Group as to what weeds were targeted, herbicide, dye and surfactant types and rates and volumes used.

To find out more or book the spray unit contact Steve Welch or Martin Lind on 6296 6400.

[An environmentally aware catchment community that has the commitment, knowledge, skills and capacity to improve the health of our landscape.](#)
